

## PRESS RELEASE

### Northbank – Introducing the Terrace - The Best View in London

Northbank opened to great reviews in autumn 2007 but it is only now that the best part is fully opened – the terrace.

Looking over the Thames across the Millennium Bridge to the magnificent Tate Modern, there is no better London view.

With the opening of the terrace, Northbank is also launching the new summer menu.

“With a good summer on the cards the terrace will be open every day and we already have such demand for reservations that we have made it first come first served,” says owner Christian Butler.

Northbank is throwing two parties to introduce customers to the terrace on Thursday 8<sup>th</sup> May and Wednesday 14<sup>th</sup> May. Please contact [info@northbankrestaurant.com](mailto:info@northbankrestaurant.com) if you would like to come.
